

Navy Fed Tutorial

I take it as if everyone here knows how to buy SSN so please I need you to get your drops and SSN's ready

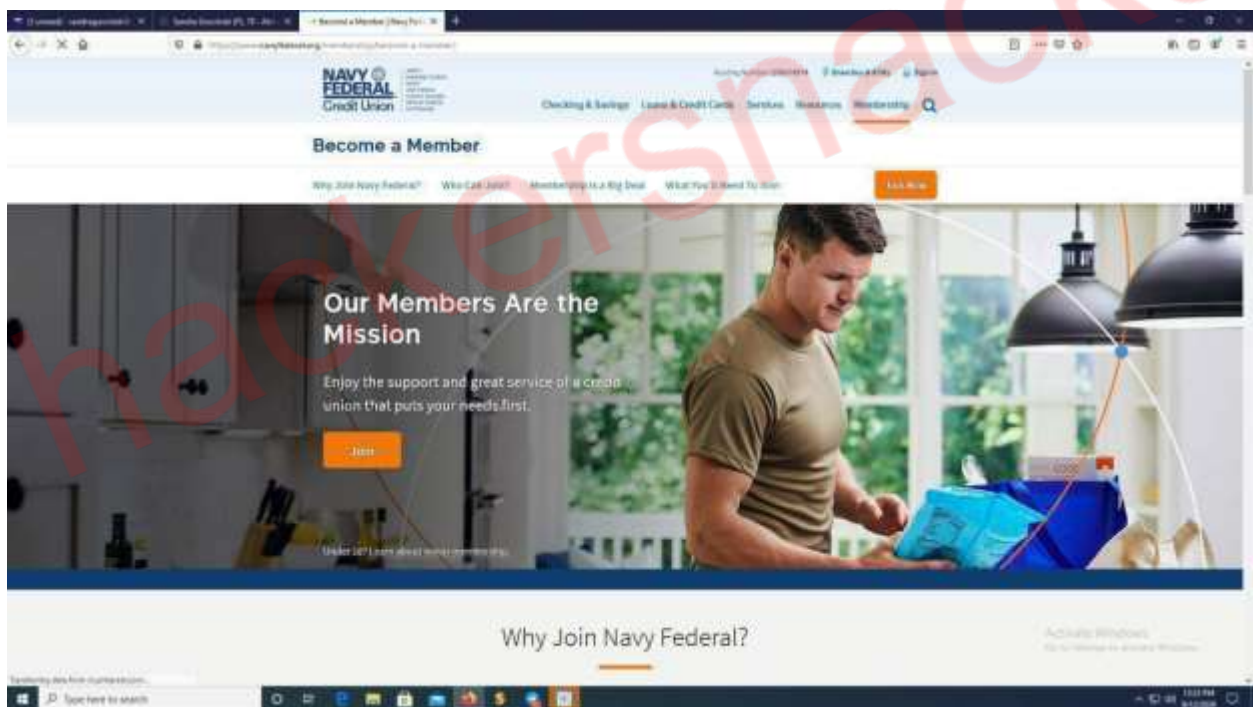

Steps

Set off your VPNs and RDPs

-Phone also works even if not on RDP

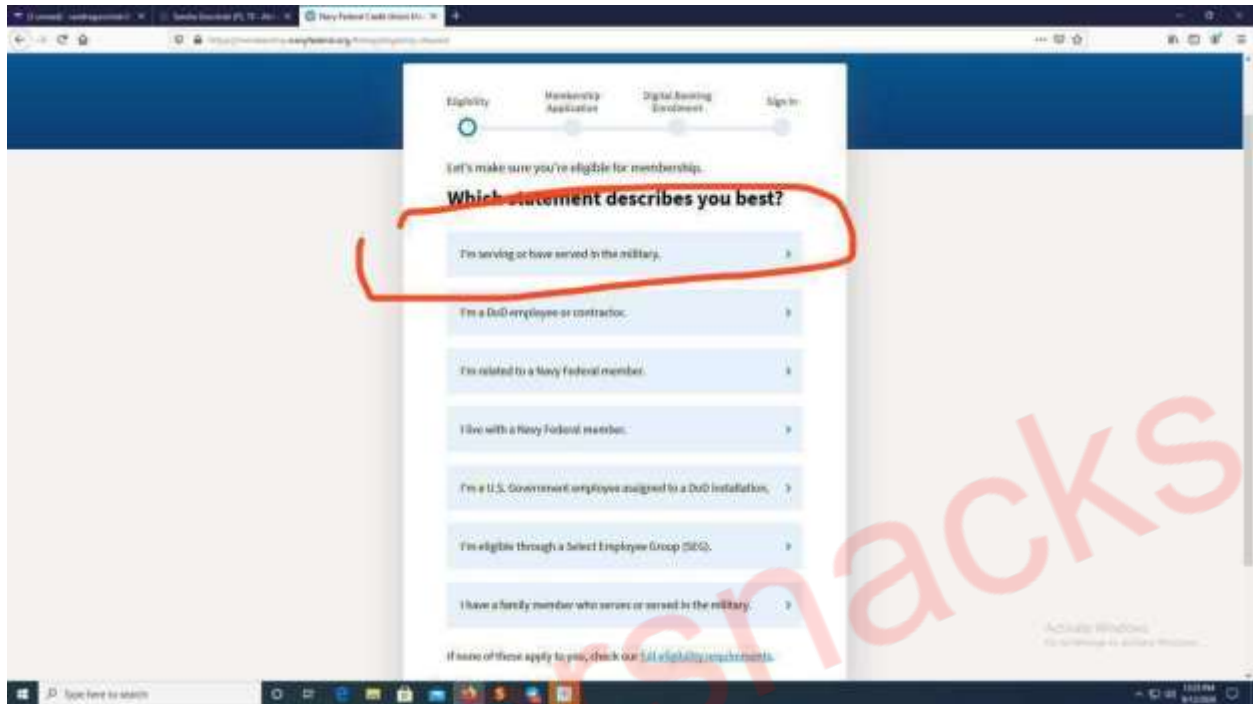

2. First google Navy federal credit union and select become a member

Click on Join now or sign up

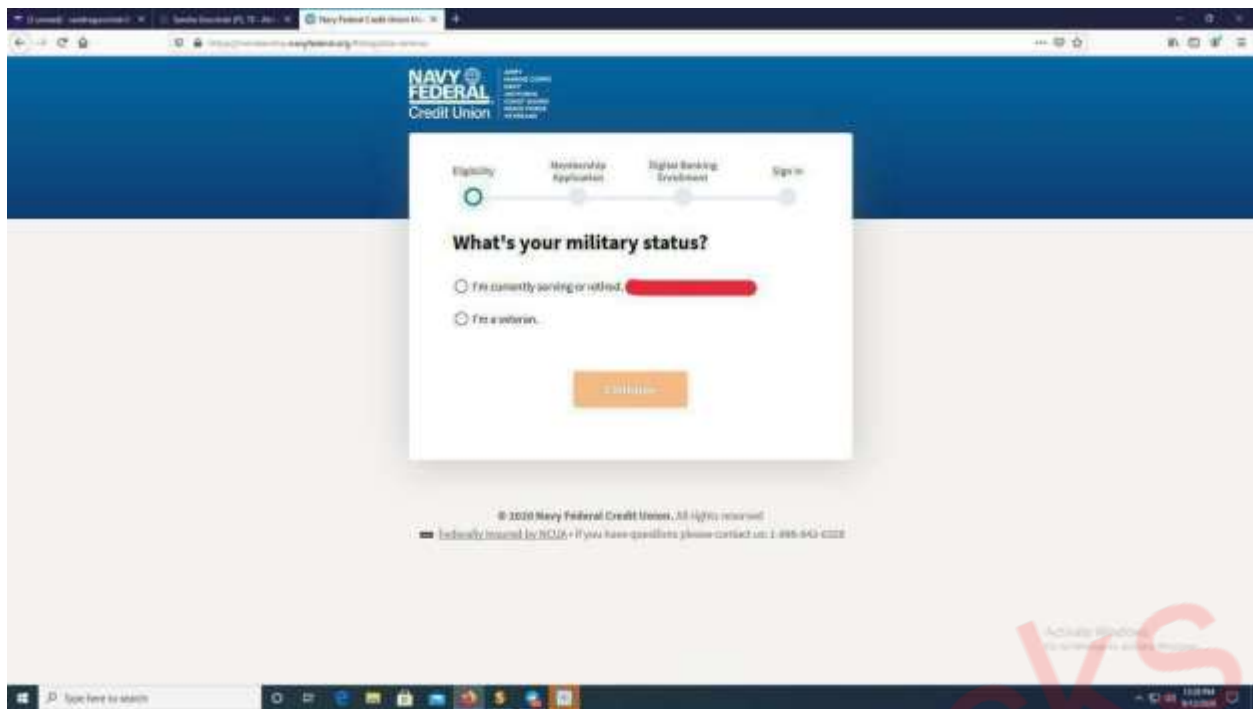

3. Now select

"Im serving or have served in the military"

4. Now select

"Im serving or have served in the military"

5. now select 'I'm a veteran'

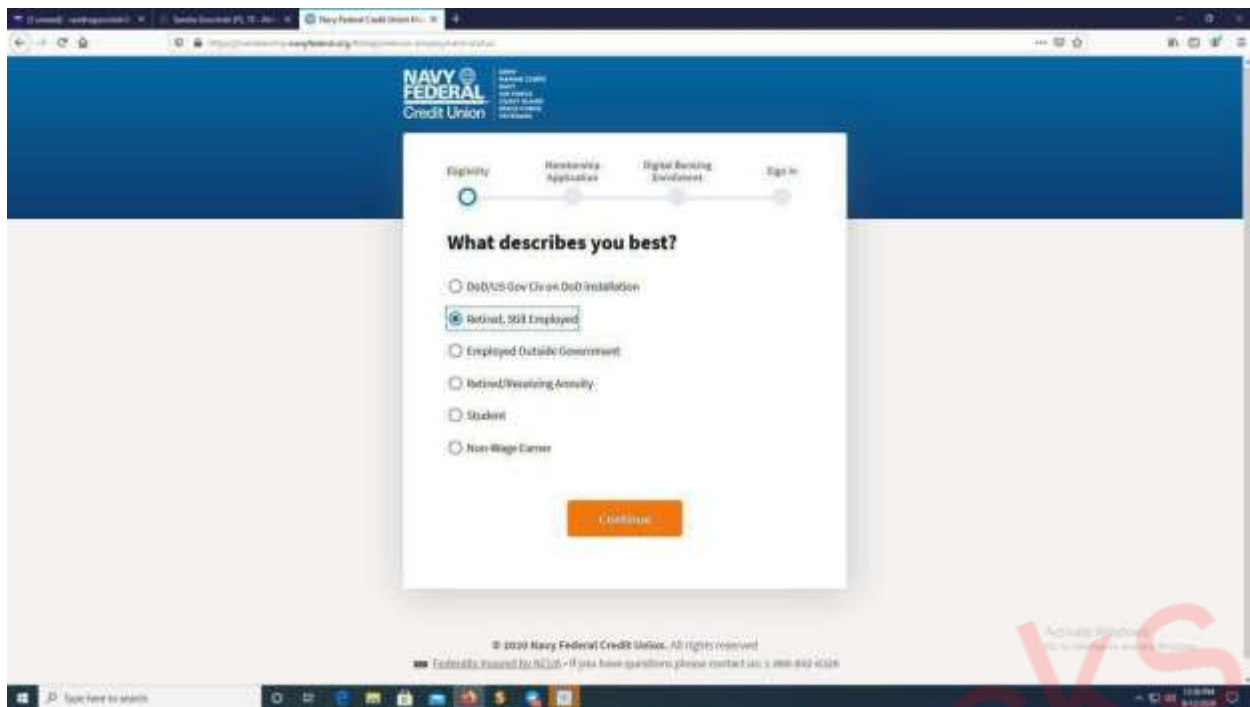

After.

6. You can select

"Navy" or "Army"

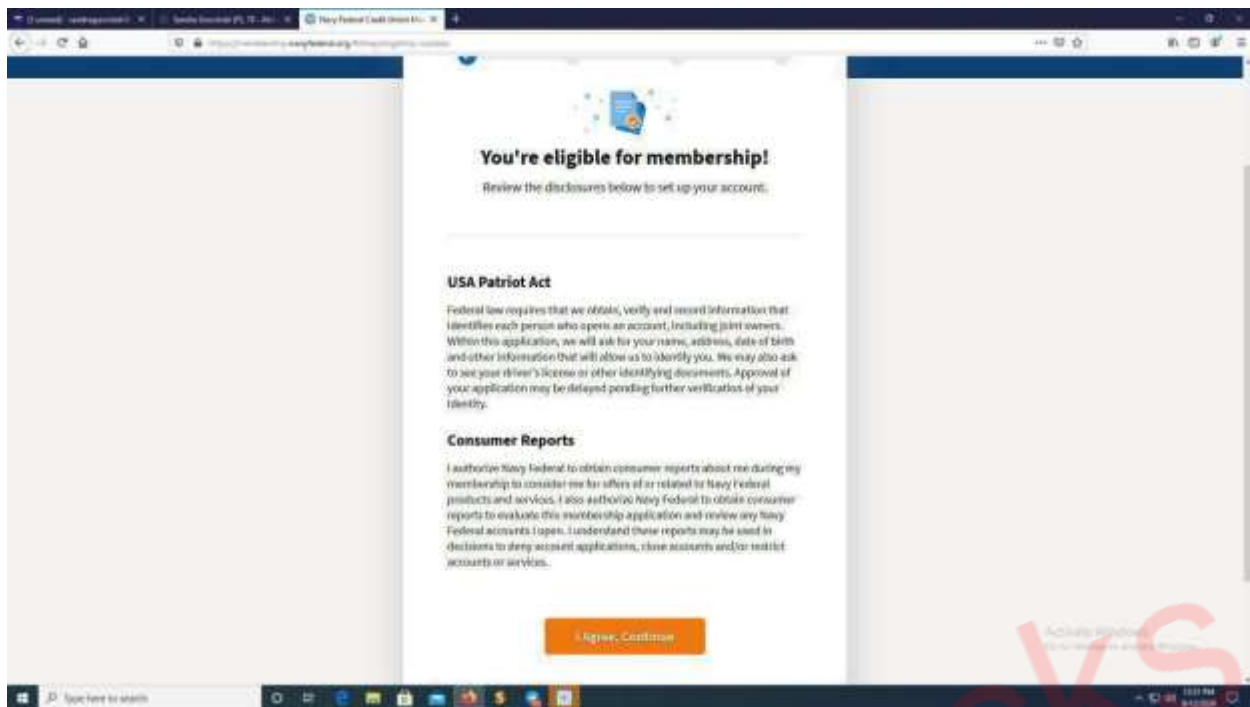

7. Select

"Retired/still employed"

8. You will see this

Agree and continue

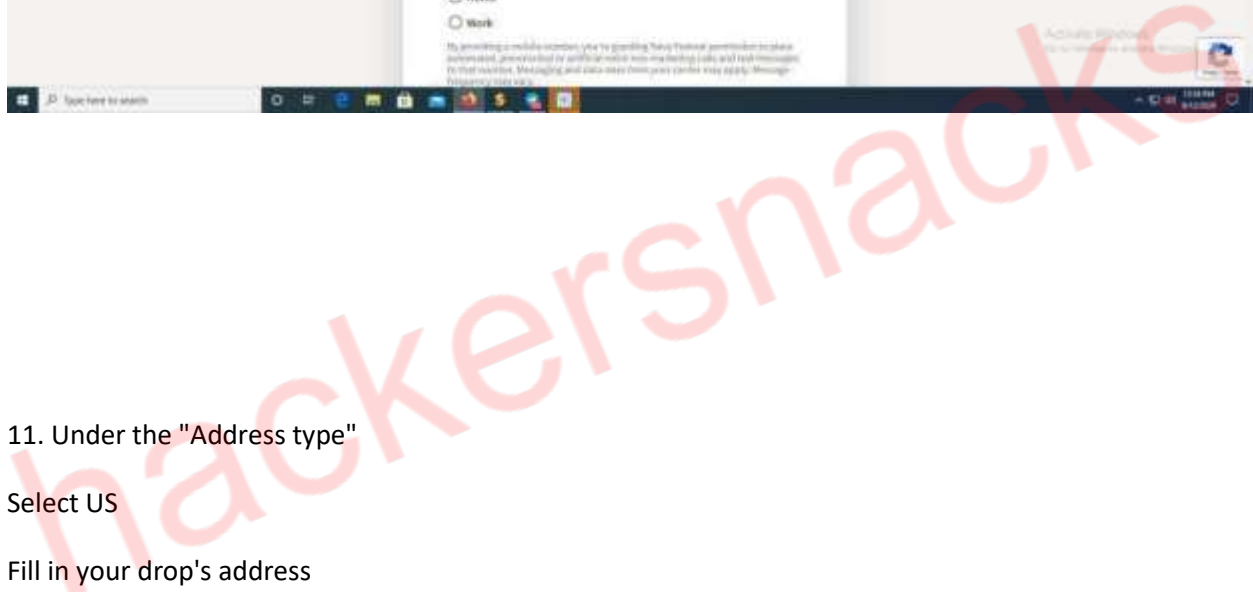

9. You can begin putting your SSN details in

10. the next page

File in the number and email you created and scroll down

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

Select US

Fill in your drop's address

Please note this point well. Your drop address not address on the Ssn you are using but if same person will receive the card then you don't have any problem

The screenshot shows a web browser window with a form titled "Address Type". The form includes several input fields and a dropdown menu. The "Address Type" section has radio buttons for "Domestic" (selected), "Foreign", "APO", "FPO", "DPO", and "P.O. Box". Below this are text input fields for "Address Line 1", "Address Line 2", "City", and "Zip Code". A "State" dropdown menu is set to "Select State". At the bottom of the form is a section labeled "ADDRESS HISTORY". The browser's address bar shows a URL starting with "https://www.irs.gov/". The Windows taskbar is visible at the bottom of the screen.

Address Type

☒ Domestic

☐ Foreign

☐ APO

☐ FPO

☐ DPO

☐ P.O. Box

Address Line 1

Address Line 2

City

State

Select State

Zip Code

ADDRESS HISTORY

12. Under "Zip code"

You will see "Have you lived at this address longer than 6 months?"

Select "NO"

MD

Zip Code
20915

ADDRESS HISTORY

Have you lived at this address longer than 6 months?

☒ Yes
☐ No

IDENTIFICATION

16. now my is a Insurance Broker in Hartford Ins Group so i just filled it
Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

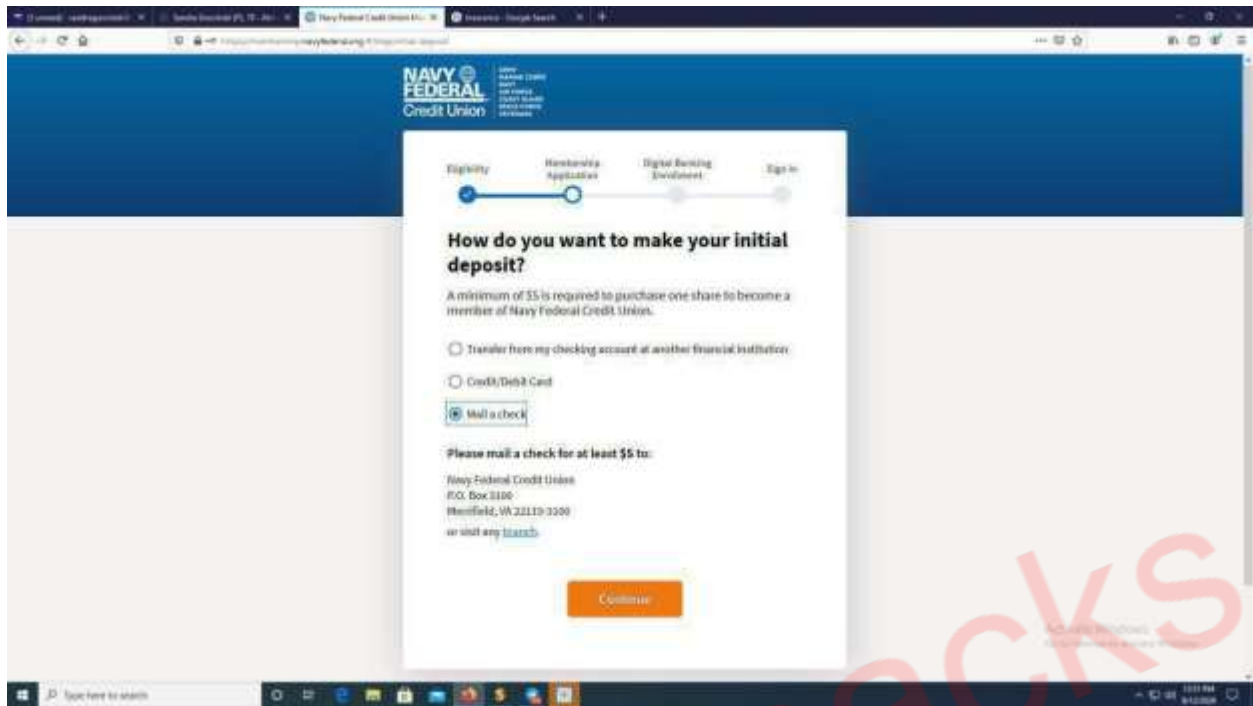

17. You can select any of the accounts but mostly just leave it at first one

18. Now Navy would want you to fund your account

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

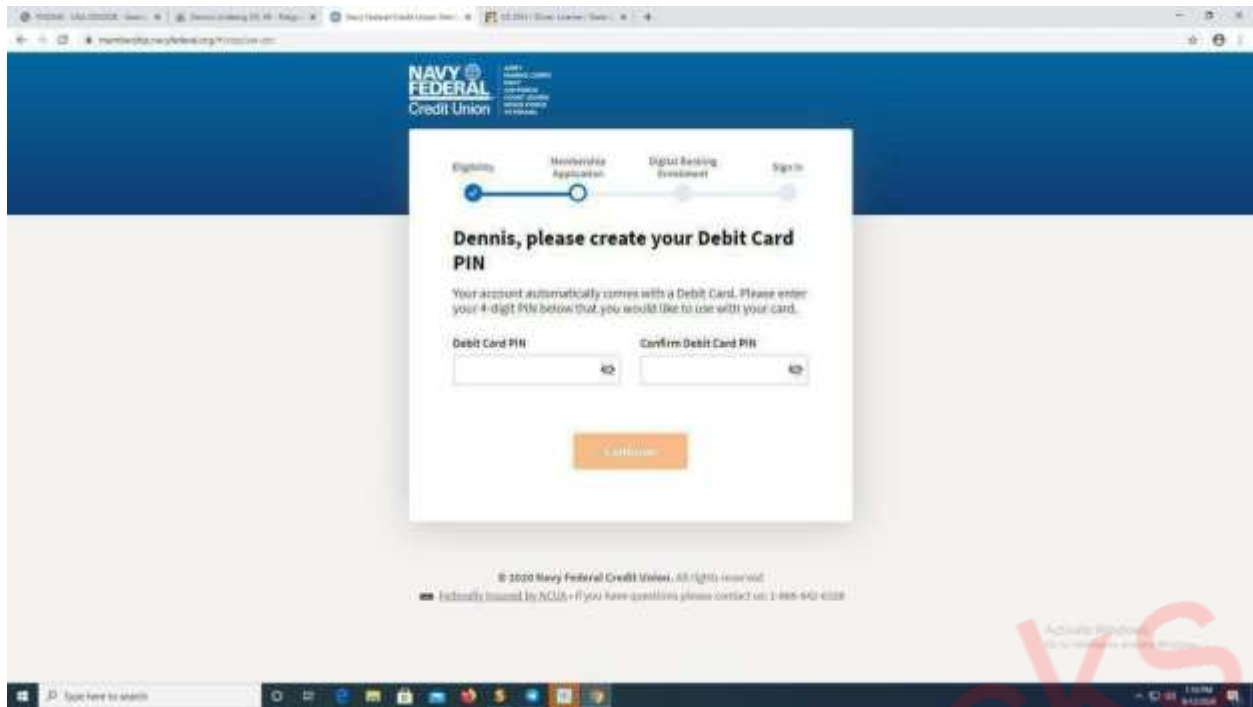

Select "Mail a check" on

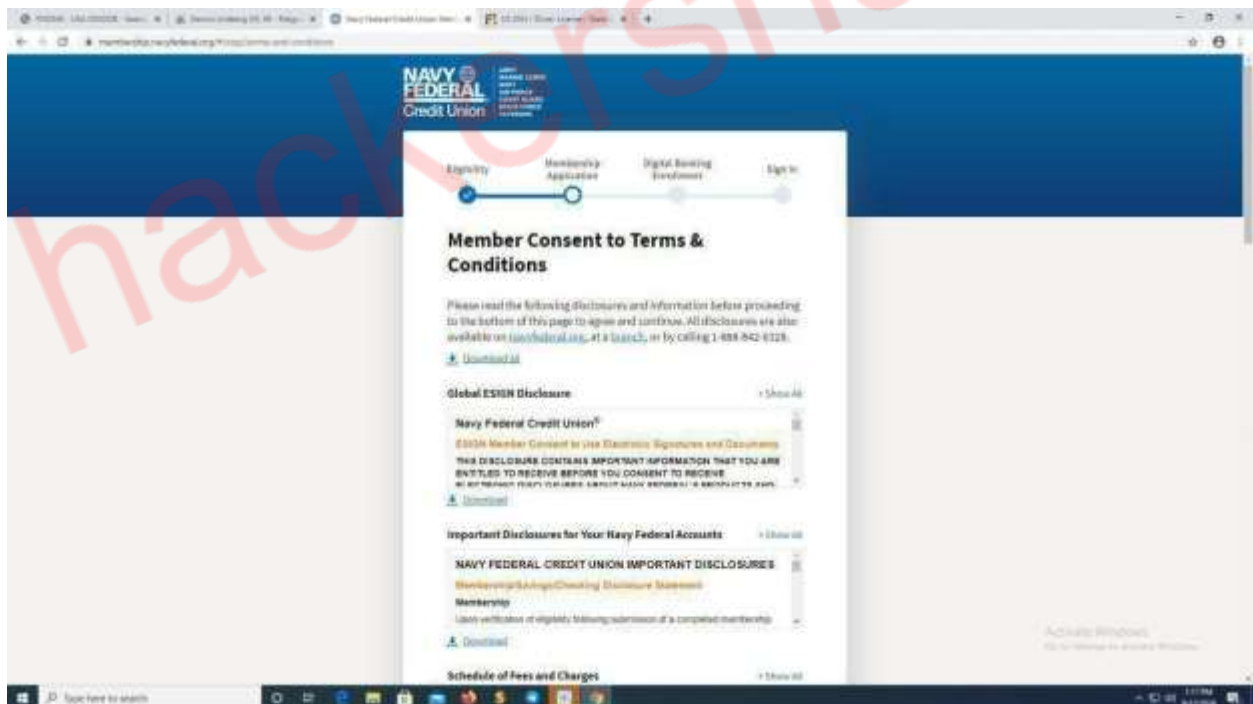

The screenshot shows the Navy Federal Credit Union website. At the top, there's a navigation bar with the logo and links for "Join", "Manage Credit", "Apply", "Get Loans", "Check Rates", "About Us", and "Services". Below the navigation bar, there's a progress bar with four steps: "Eligibility", "Membership Application", "Digital Banking Enrollment", and "Sign In". The "Eligibility" step is currently active. The main content area is titled "How do you want to make your initial deposit?" and includes a note: "A minimum of \$5 is required to purchase one share to become a member of Navy Federal Credit Union." There are three radio button options: "Transfer from my checking account at another financial institution", "Credit/Debit Card", and "Mail a check". The "Mail a check" option is selected. Below the options, there's a section titled "Please mail a check for at least \$5 to:" followed by the address: "Navy Federal Credit Union, P.O. Box 3100, Herndon, VA 22119-3100" and a link to "or visit any branch". A "Continue" button is at the bottom of the form.

19. This next screen you get is this

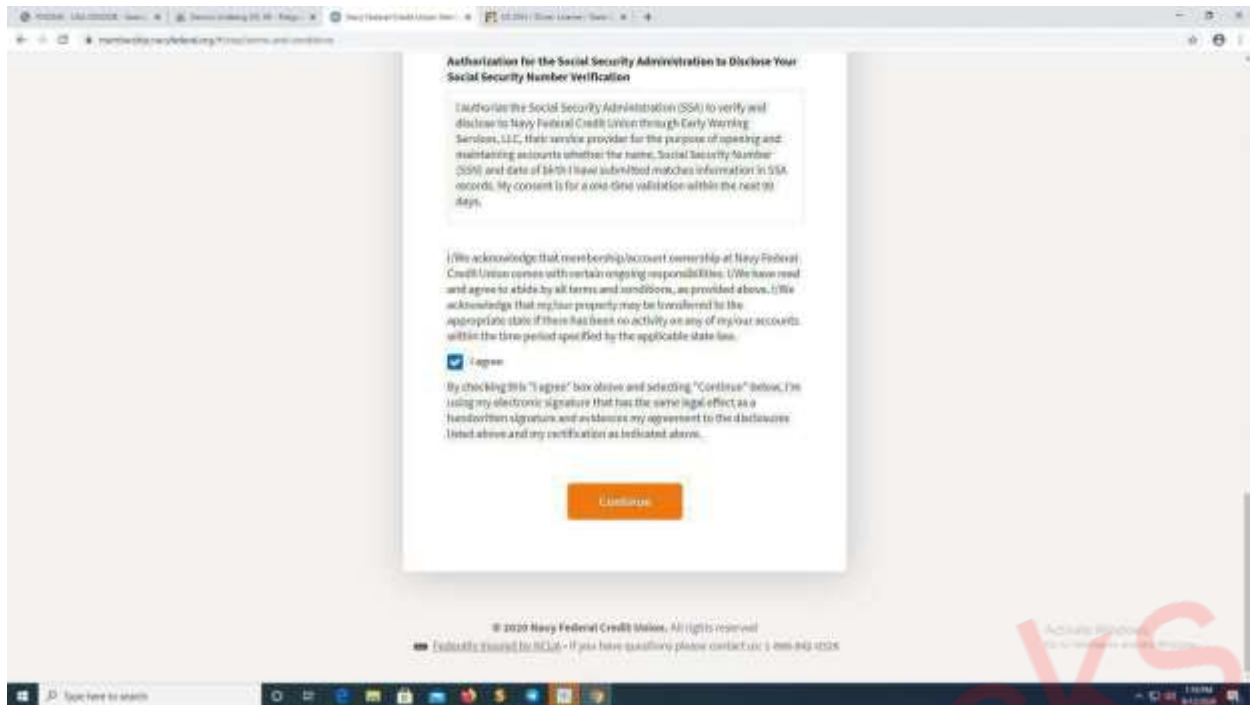

SO just put in the debit card pin you would like to use and continue

20. Now you get to this page and you have to scroll down to agree with Navy Fed terms and conditions which brings you here

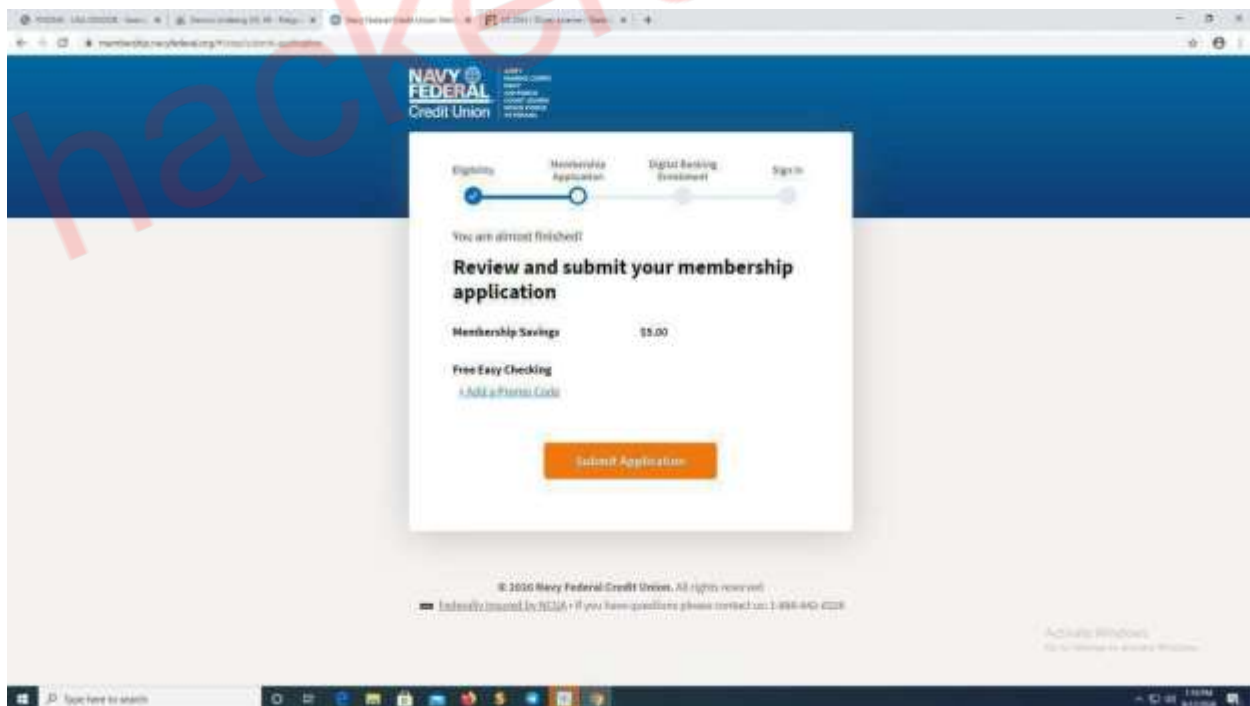

21. Agree and continue

22. The last step is this

Here it will be decided if they will approve you instantly or not

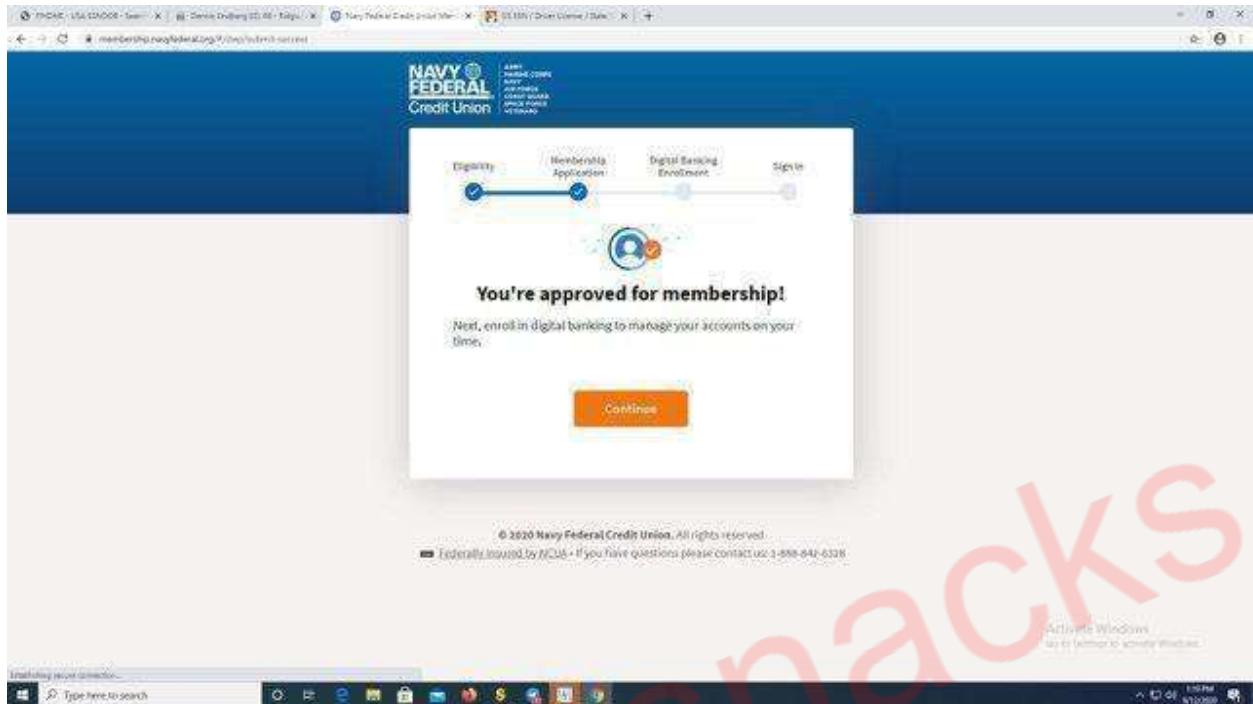

SUBMIT APPLICATION

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

23. See, easy as ABCD dawg, Real Quick?

Now we click on Continue

24. Now you set up online banking

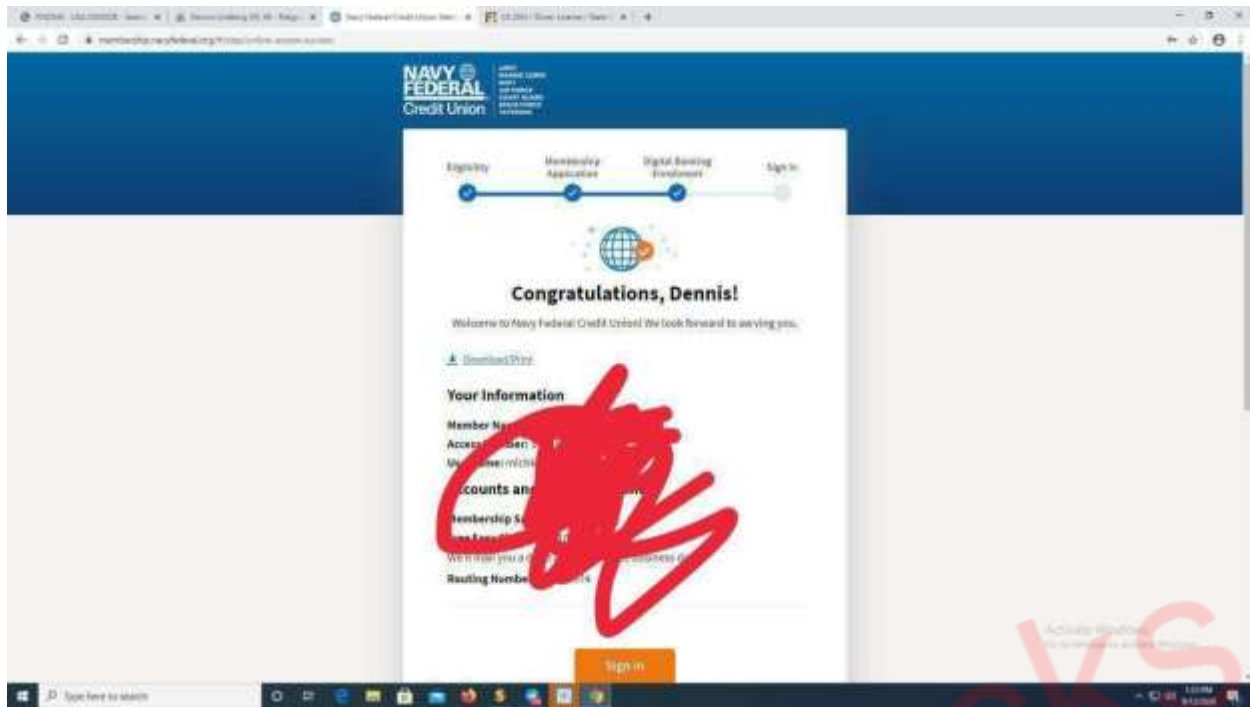

Which is your preferred username and password

25. After you select a Username and password

Click on "Go paperless"

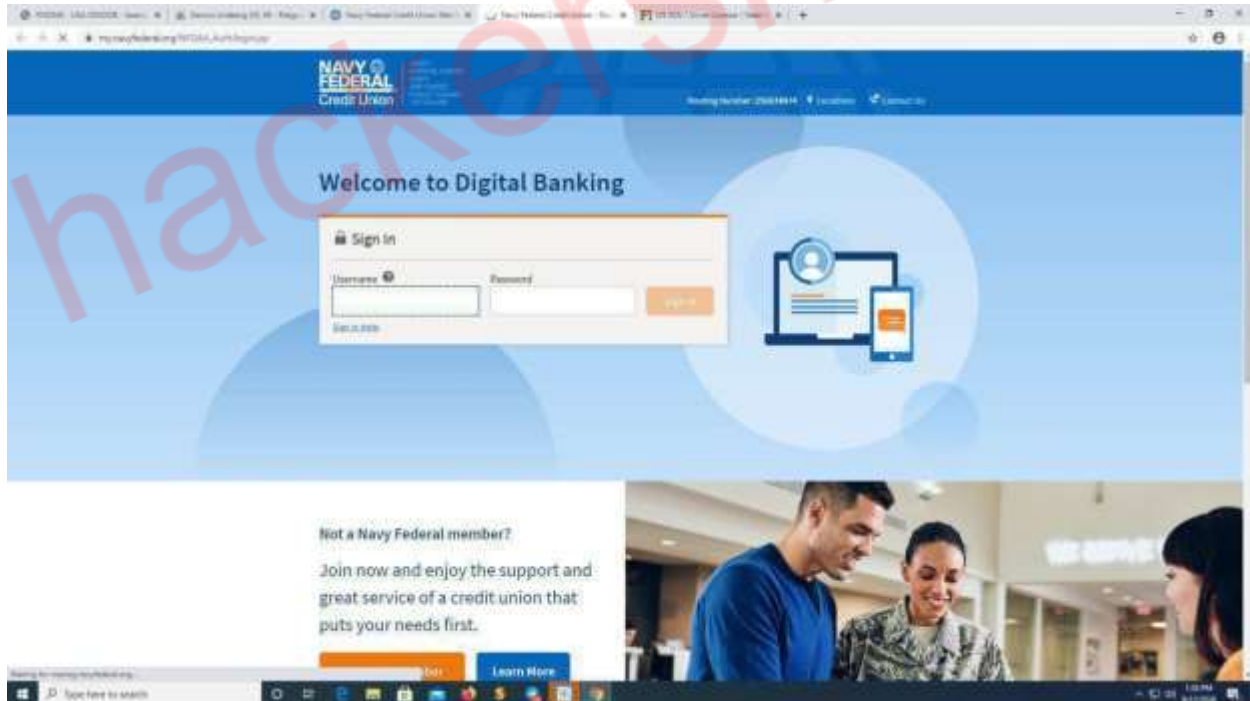

26. Now this is a summary of my account details so i will copy and paste them somewhere safe and click on 'Sign IN'

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

27. It will open a new tab and take you to the login page

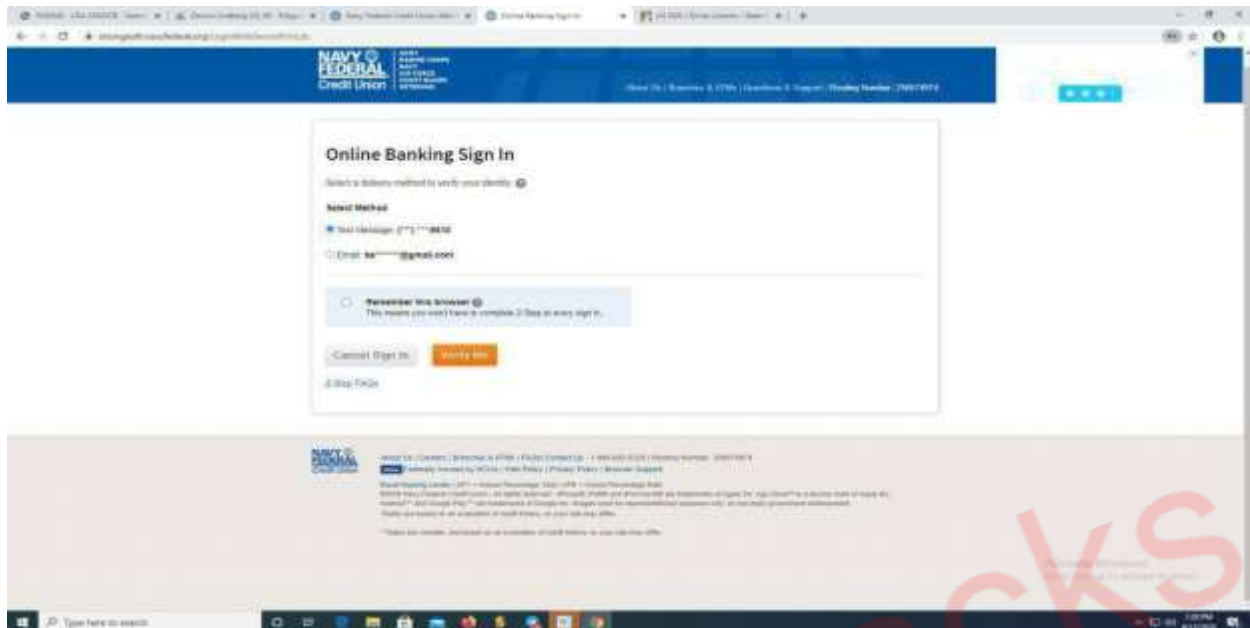

Put in your username and password

28. it will ask you to verify your identity

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

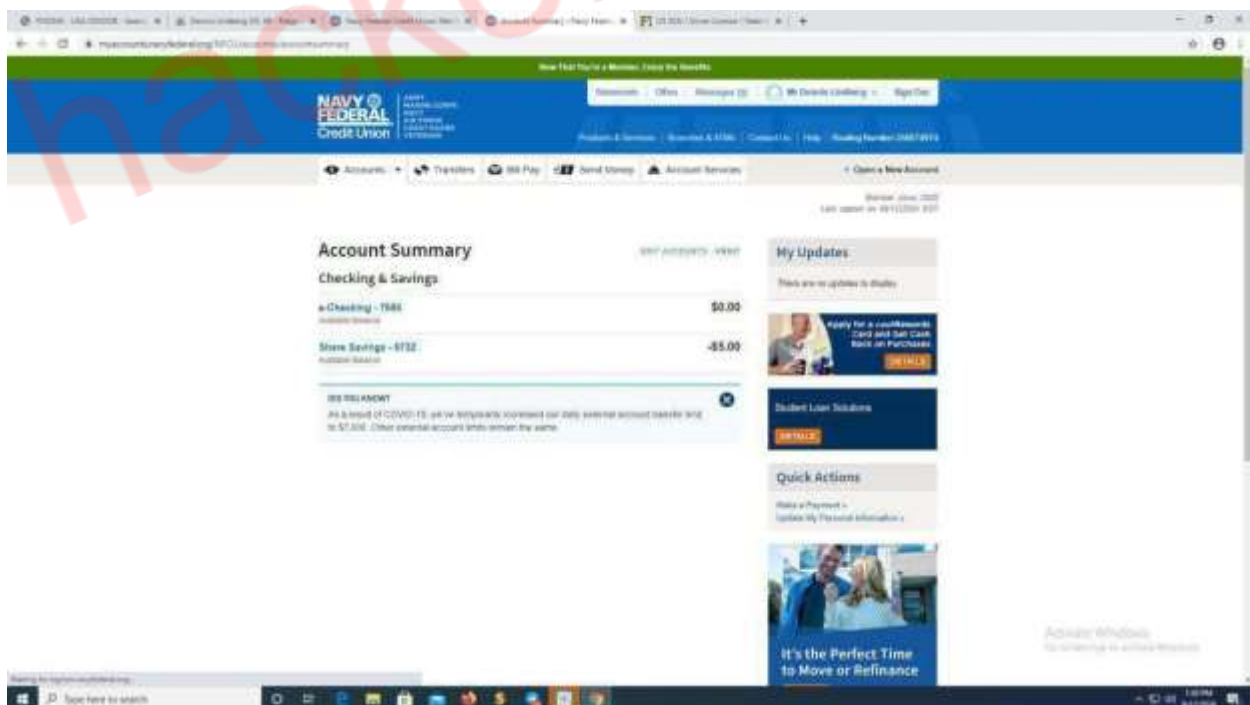

In that case they will send a code (numbers only) to your phone or email depending on which one you prefer. I prefer email

29. I put in the code and i am in

This is my Navyfed Account

My drop will receive the card in 7 business days

Made by xconnor of hackersnacks tutorials <https://t.me/hackersnacks>

-Now you can use name and SSN of the victim to apply for unemployment benefits and use the account numbers to receive your money
