

## **DIRECT DEPOSIT PART 2**

### **INTRODUCTION**

Hello y'all, so the Part 1 of the direct deposit tutorial was basically about how to add Bank info/Prepaid card info/Cashapp info as PAYEE to the direct deposit log; now this part will be how to send payment directly into the payee, and it easy as ABCD, even a noob can do all this.

#### Bill Pay

When you schedule a payment before 4:00 p.m. ET on a typical weekday (i.e., a business day), the money is withdrawn and sent to your payee same day. After 4:00 p.m. ET or on weekends and federal holidays, the money is withdrawn and sent the following business day.

#### What does "Deliver By" mean?

The date we anticipate your payment will reach your payee. As a guideline, we say that's up to 2 business days for electronic payments and up to 5 business days for mail payments.

### **CONCLUSION**

**\$20,000= 120,000 Ghana Cedis**

**\$20,000= 7.6 Million Nigerian Naira**

**\$20,000= 290,000 South African Rand**

No matter the country you are in, \$20,000 is enough to get you a house or a car as well as setup a legit business to take care of yourself and the family for a long time, so will advise y'all to try make some quick cash, set yourself up legitimately and leave this game b4 you get caught.

Many guys have made a lot of money illegally and now run legit businesses so start making some money before this method spoils.
