

DIRECT DEPOSIT TUTORIAL STEP-BY-STEP

Hello y'all, today am going to show you guys how to make \$20k online easily (tho not entirely legal tho 😊) so you will need to hide your location before you start this work.

First of all you need to hide your location so you can either use any of the following tools;

1. VPN (snap VPN, windscribe VPN, 360 VPN, RAY VPN: all these VPN are free and strong so you can use them if you don't have money to buy socks)
2. SOCKS (911.re, Vip72.com):
3. RDP

I have a tutorial on my channel on how to use VPN, Socks & RDP so you can check it out later on.

Now Let start making some real money 😊😊😊😊😊.

DIRECT DEPOSIT TUTORIAL STEP-BY-STEP

INTRODUCTION

Direct deposit is one of the few methods of cashing out which won't cast/spoil soon because almost every money transfer method revolves around direct deposit

- Employers pay their workers via direct deposit.
- IRS pays tax refunds via direct deposit.
- Government pays stipends via direct deposit.
- All Prepaid Cards and Cashapp accept direct deposit.
- All USA banks accept direct deposit.

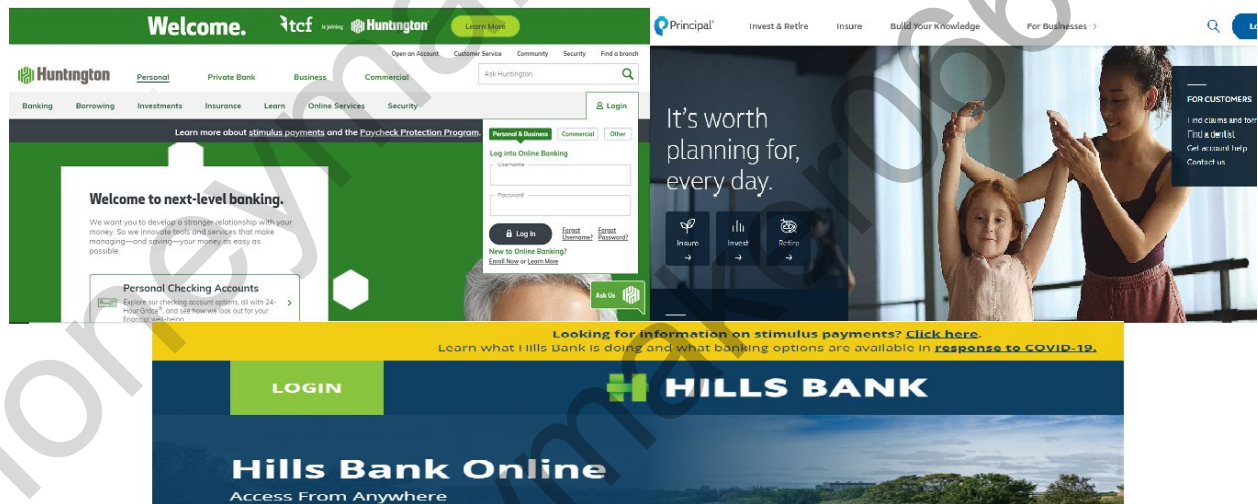

So even if you don't know how to do any online job, even if you are a complete newbie who never gets luck with any job; your life can change overnight once you know how to do Direct Deposit and since it isn't casting, you will be cashing out for a very long time 😊

METHOD

1. Not all banks have direct deposit feature, many banks have bill pay but don't have direct deposit so take note.

Some of the banks which got direct deposit feature are Huntington, Principal bank, Hills bank.

5. A code will be sent to the email, get it.

The image shows a screenshot of the Huntington Bank mobile app interface during a verification process. At the top, there is a dark blue header with the Huntington logo on the left and a "Ask Us" link on the right. Below this is a green banner with a "LOG OUT" button and a right-pointing arrow. The main content area has a white background. It starts with "Welcome Back" in green. Below that, "Code sent" is displayed in green, followed by the text "You have 30 minutes to complete this verification with the current code." Underneath, there is a prompt "Enter 6-Digit Verification Code" above a white input field. Below the input field is a link "Request a new verification code". At the bottom of the form area are two buttons: an orange "Continue" button and a grey "CANCEL" button with a right-pointing arrow. In the bottom right corner of the app screen, there is a green "Ask Us" button with the Huntington logo.

When you schedule a payment before 4:00 p.m. ET on a typical weekday (i.e., a business day), the money is withdrawn and sent to your payee same day. After 4:00 p.m. ET or on weekends and federal holidays, the money is withdrawn and sent the following business day.

What does "Deliver By" mean?
The date we anticipate your payment will reach your payee. As a guideline, we say that's up to 2 business days for electronic payments and up to 5 business days for mail payments.

Credit Card
Huntington credit card payments are applied same day. Allow up to 2 business days for your payment to display.
